TYPOGRAPHY

PRIMARY TYPEFACE
(Season Mix)

The primary typeface is chosen for its clean geometric structure and modern grotesque character. It feels strong yet understated, balancing precision with a quiet, human touch. Its versatility across bold headlines and minimal layouts makes it ideal for a system that communicates endurance and openness without excess.

COLOR PALETTE

These colors reflect the identity and values of Dr Hans ENT Clinic by creating a calm, reassuring, and professional atmosphere — qualities that are essential in a healthcare environment. The palette conveys trust, care, and clinical excellence while maintaining a modern and approachable feel, helping patients feel comfortable, confident, and cared for throughout their experience.

#163B57
Darkazure

#2A9D8F
Torquoise

#E4FDEF
Lightgreen

#000000
Black

Together, these colours create a balance between trust, comfort, and clinical sophistication. They feel calm and reassuring while still appearing modern and professional — qualities that are essential in a healthcare space like Dr Hans ENT Clinic. The palette evokes a sense of care, clarity, and confidence, helping patients feel at ease while reinforcing the centre's advanced and expert-led approach to ENT care.
